	Tech. Elective (4)	Technical Electives in Concentration	3				
Total			**15**	**Total**			**12**

Notes/Comments:
(1) Students must hold an Associate of Applied Science degree in a Safety-related or Engineering Technology-related field and have a transfer GPA of 2.25 or higher to be eligible for the BAAS-AA with Safety Management Concentration program. The BAAS-AA with SM is a 120-credit hour degree program. It accepts 36 credit hours of the workforce courses, regardless of the number of credit hours of workforce courses are required for completion of the AAS degree.
(2) EDUC 1300 is required for First Time in College (FTIC) students only.
(3) In addition to the completion of the AAS degree at HCC, students can complete the rest of the statewide core curriculum courses either at HCC or UHD. Students can be enrolled in both institutions concurrently towards completion of the AAS or the AA degree.
(4) Choose 2 courses from the following Technical Electives in Concentration: ENGR 3346, ENGR 3350, ENGR 4350, ENGR 4355, ENGR 4370 or ENGR 4381.

Transfer of Credit & Student Benefits

- Credits from HCC that are transferrable to UHD degree programs may be specified in any program-to-program articulation agreement.
- Reverse transfer
- HCC students will be allowed access to academic advising services at UHD
- HCC Honors students admitted to UHD will receive:
  - Acceptance to UHD Honors Program with a minimum GPA (GPA varies by the College in which the program resides)
  - UHD will accept a minimum of 12 hours of transfer Honors credit; eligible for merit and need-based aid commensurate with qualifications

Standard Agreement & P2P Agreement
(Associate of Applied Science to Bachelor of Applied Arts and Sciences in Applied Administration with a Safety Management Concentration)

Program Admission Requirements

- Transfer Admission Criteria (15 or more earned college-level credit hours) 2.0 GPA
- Student must be in Good Academic Standing at last institution attended
- For a course taken more than once, the highest grade will be transferred

Program Specific Requirements
