

Division Analytics Dashboard

The **Analytics** Dashboard is the second tab in the **Platform Menu**. This workspace allows you to run visual analytics on assessment data within a division. The purpose of the analytics dashboard is to offer a quick overview of the information entered into the platform, rather than generating a report.

For instructions on logging into Nuventive, please view the **Basic Navigation** guide.

UNIT DROP-DOWN MENU

The center **Unit Drop-Down Menu** is where you will locate your division. By clicking the drop-down arrow to the right, you will be able to locate your college or department. Selecting a division will take you to its **Workspace**.

HAMBURGER ICON / PLATFORM MENU

Once you have located your college or department, click the **Hamburger icon** to the left of the **Unit Drop-Down Menu** and then **Analytics** to access the division's analytics page.

ANALYTICS PAGE

The **Analytics** page has five tabs at the bottom left. These tabs provide quick access to a division's data and information. Information on each tab can be filtered using filters at the top of the page.

Each of the filters and tabs are described below:

FILTERS

- 1. Unit: provides a list of units within a division. This filter can be utilized to view a specific unit within your college or department. Choosing a specific unit will remain as a default selection for all tabs listed at the bottom (Available on all tabs).
- 2. Years Outcomes will be Assessed: provides a list of assessment cycles. This filter can be utilized to view a specific assessment cycle, e.g., 2023-2024. Choosing a specific assessment cycle will remain as a default selection for all tabs listed at the bottom (Available on all tabs).
- **3. Outcome Type**: provides a list of outcome types, i.e., learning, effectiveness, utilization, compliance, efficiency, needs, and satisfaction (Available on the Outcomes by Type).
- 4. Data Conclusion: provides a list of data conclusion options with regards to success criteria, i.e., success criterion met, success criterion partially met, success criterion not met, or no data collected (Available on the Results tab).
- 5. Budget Considerations: provides a list of units with budget considerations, meaning units that have budget considerations indicate yes or no (Available on the Results tab).

NOTE: If you don't see an option listed under the filters, e.g., if a program has only learning outcomes, the filter <u>Outcome Type</u>, will not display 'effectiveness' or any other outcome type as an option.

<u>TABS</u>

1. Assessment Summary: This tab provides a complete overview of all units' completion status on reports.

Use the scrolling bars to move u	p and down to view the entire list of u	nits' progress.

2. To Do List by Assessment Cycle: This tab provides an overview of completed sections by each unit and those that need to be worked on. A green icon under methodology, implemented changes, and results sections indicate that they are complete. If sections appear with red icons, it is an indicator that those sections are incomplete and need to be addressed.

Use the scrolling bars to move up and down to view the entire list of units' progress.

NOTE: Under the **Methodology** section, per policy PS 03.A.39 units are expected to use at least one direct method of assessment per outcome. If only one method is provided and the method is indirect, the **Methodology** section will display a red icon, indicating it is incomplete.
